

TECHNICAL DATA SHEET

SanGuard - Hand Sanitizer >80% Ethanol

DESCRIPTION

SanGuard - Hand Sanitizer has been specially formulated as a liquid hand sanitizer, which will rapidly and effectively sanitize the hands by inactivating a wide array of potentially harmful microorganisms without causing dryness. When used as directed, SanGuard Hand Sanitizer is effective against all alcohol sensitive bacteria, viruses, yeasts and moulds. This product complies with the World Health Organization's (WHO) handrub formulation guidelines.

PROPERTIES

Appearance	: Clear, colourless liquid
Ph	: ideally between 7,0 - 9,0
Odour	: That of alcohol
R.D @ 20°C	: 0.804
